Greeting from Kenya! I just want to thank you so much for giving me this scholarship for \$5,000. Thank you so much. I will try my hardest to fulfill the expectations of this company. These are the following Universities I am applying to:

1. Cedarville University
2. Nairobi University
3. Kampala International University
4. Moi University
5. Liberty University

I will let you know when I get accepted into any of them. Again, thank you so much.

God Bless,
